

OSHAWA & DISTRICT SHRINE CLUB

ANNUAL GOLF TOURNAMENT 2017

February 1, 2017

To Whom it May Concern,

We are beginning the planning for our Annual Golf Tournament to be held at the prestigious Deer Creek Golf and Country Club on June 2nd, 2017.

We invite you to sponsor this Tournament at one of the four levels of benefits, as described in the attachment. The goal of this relationship is to benefit both organizations and as such we encourage you to let us know how you would like to see the benefits tailored in order to meet your organization's goals.

The purpose of our Club is to support the Shrine philanthropy - Shriners Hospitals for Children. Shriners own and operate a network of 22 non-profit medical facilities across North America through our charity, Shriners Hospitals for Children. The hospitals assist Children with orthopaedic conditions, burns, spinal cord injuries, and cleft lip and palate who receive all services in a family centric environment, regardless of the patients' ability to pay.

In Canada, Shriners Hospitals own and operate the Shriners Hospital for Children Canada (Montreal) at the McGill University Hospital Complex. Our hospitals also participate in sharing important work across medical institutions. We are proud to say we are one of three participants in the TransCanada Paediatric Orthopaedic Fellowship together with the BC Children's Hospital (Vancouver) and The Hospital for Sick Children (Toronto).

As you know, this event is for the benefit of The Oshawa and District Shrine Club. This year, among other charitable gifts, our Club was able to donate enough money to our Canadian hospital to provide Halos for patients so they could continue their recovery in their home environment. These pictures and the letter, below, are about the specific application of this donation.

In terms of fiscal effectiveness, Charity Intelligence Canada had this to say about Shriners Hospitals for Children ('SHC'): "SHC is outstanding for its cost efficiency in fundraising and operating costs; administrative costs are 1.4% of revenues and fundraising costs are 1.0% of donations and events. This is due to the strong fraternity of Shriners that contribute to SHC."

We are also very proud of the fact that The Oshawa and District Shrine Club is one of the largest contributing clubs in Canada. We achieve this through the work of skilled volunteers and the organization of quality events.

Thank-you for your support - it truly makes a big difference as this is a major fundraiser for the benefit of The Club. We thank-you for considering this opportunity and are happy to tailor the sponsorship benefits in order to meet your organization's goals.

Sincerely,

and
Kind Nobles of Oshawa Shrine Club

Dear Mr. Somerville & Mr. MacCarl,

On behalf of the clinical team and most importantly on behalf of the patients and their families I would like to thank you for your generous donation.

In fact your financial support will allow us the purchase of Halo traction equipment for patients to use in their house. When our patients and families express how special our Shriners hospital for children is we immediately remember gestures like this one. I rarely hear about other organizations whose focus is solely on 'patients with special needs'.

You do us proud!

Sincerely,

Sharon Brissette, M.Sc.Inf./M.ScN.,CHE
